

A Survey of 500 Registered Voters in Kansas

Margin of error: +/- 4.3%

Conducted May 14 - 15, 2020

Hello Mr. /Mrs. _____, I'm _____ of CHS & Associates, a national research firm. We're speaking with people in Kansas today about issues facing us. First...

1. Generally speaking, do you think things in Kansas are headed in the right direction, or do you think things have pretty seriously gotten off on the wrong track?
 - 51% Right Direction
 - 43% Wrong Track
 - 6% (Do Not Read) Undecided

2. Thinking about your community, which is more concerning to you? (Rotate)
 - 40% The health risk related to the spread of the coronavirus
 - 54% The economic damages such as loss of employment, wages, and retirement planning related to the virus
 - 6% (Do not read) Undecided

3. Which of the following comes closest to your belief? (Rotate)
 - 18% The state government should strictly mandate statewide rules to keep people inside their homes and shut down additional businesses in my community so we can stop the spread of the virus.
 - 77% It is fine to loosen restrictions on businesses so people can get back to work and provide for their families as long as strict health and safety guidelines are met.
 - 5% (Do not read) Undecided

Based on what you know about the coronavirus, when do you expect to do each of the following?
(Randomize)

	Within next 2 weeks	In the next month	Within 2 months	Within 3 months	Within 6 months	More than 6 months	(DNR) Undecided
